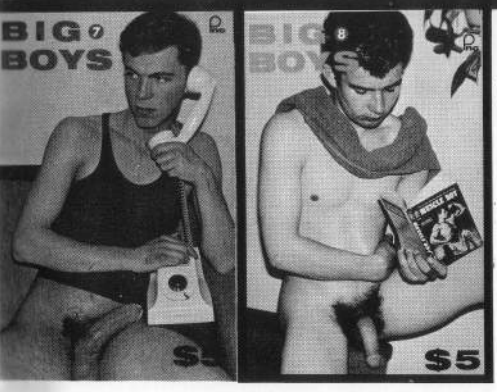
UNBELIEVEABLE ● FRESH ● VIBRANT



There's a reason why our nudist models are called **BIG BOYS** in this issue! These youths were ready, willing and able to rise to the occasion we set out for them when we stilled ourselves to produce the most daring and innovative nudist journal of illustrations it is now possible to come out with!

Nothing is held back to bring you the most three-dimensional men and boys the naturist publishing world has ever formulated!
